

Sterry Well Known

For many years S. Sterry, in the Troy, N. Y. Post-office is counted among the best known men in the city. Recently he was retired and gladly tells about GOLDINE. "For ten years I had kidney trouble and my back got so I couldn't have stooped over to pick up my pocket-book if I had dropped it. I was dizzy, had catarrh, short of breath and used to have to get up six times in the night. I had relief in less than a week after taking Goldine Alternative and Reconstructive. My kidneys are now better in every way. I sleep better and feel stronger. I haven't the words to make my statement strong enough in praise of Goldine." The Reference Handbook of Medical Sciences says of Young-Goldine Root from the Filian Islands contained in GOLDINE, "It is the best simple diuretic (having beneficent action on the kidneys) that we possess." Fourteen valuable medicinal herbs make GOLDINE America's standard Kidney and Rheumatic Remedy. Get your bottle today and be as enthusiastic as Mr. Sterry over your recovery.

Foxes Take French Leave

A pair of foxes, owned by Latham Avery, the son of Mr. and Mrs. A. Avery, of Groton, has for some time been making a habit of taking French leave from the family.

The foxes have been able to get a glimpse of one of them darting into shelter. But to Latham Avery, for whom they have gained considerable publicity, they are lost forever.

The first fox, a white pair was first bought by E. W. White of Groton, who got them from a trapper in North Stonington. They were caged at the Avery home and later became tame.

There was a possible chance of taming them. During the pair of young foxes, Master Avery had a picture of the colored section of two large papers with his pets. Having once gained freedom they began to roam about until finally they did not return to their home.

BAL GAME, DINNER AND DANCING IN CHAMBER OF COMMERCE OUTING

Business cares were cast aside and a shore dinner and an evening of dancing predominated at the outing of the Norwich Chamber of Commerce held on Thursday afternoon at Happilyland Park at Poquatunank.

The threatening weather did not keep down the attendance nor did the showers late in the afternoon dampen the spirits of those bent on a good time. Fully fifty automobiles were parked in the grove at Happilyland which came close to two hundred members of the Chamber and Norwich Rotary with Friend Wife and other friends.

The opening event of the afternoon was the ball game between the Chamber team and the Rotary club which was won by the Rotarians, 11 to 3. This game was the first of a series of three games for the Chamber team.

The Chamber team now has a strangehold on the coveted trophy which will be hard for the Chamber team to break. The game was a real thriller, laughs and fun for the whole party.

The Chamber team was not so dissatisfied with the result that they immediately hurried another challenge for a game next week.

The Chamber boys started off strong in the first inning and through a couple of hits and an error, pushed over one run. The Rotarians in their turn at bat in that inning scored two runs. These runs were due largely to the erratic playing of the Chamber team.

The Rotarians were equal to the occasion and in their turn at bat scored two runs. The Chamber team was not so dissatisfied with the result that they immediately hurried another challenge for a game next week.
